

ON THE COLLEGE OR PROFESSOR'S LETTERHEAD

LETTER OF RECOMMENDATION

It gives me lot of pleasure to expatiate the potential of Aaruhi Shah for Graduate Studies at your esteemed University.

Aaruhi is a very sincere and diligent student with sufficient motivation to excel in her chosen field of studies. She has been consistent in her academics, managing to retain a good percentage. She has also shown an innovative nature and ability to think from a non-conventional point of view. I have seen a keen urge in her to understand engineering concepts beyond the theoretical purview reflecting her potential for research.

Aaruhi has a very amicable disposition making her approachable and easy to communicate with. She is very fluent in English and has an excellent diction. She can express her ideas in a lucid manner. I agree with her decision to pursue graduate studies and strongly recommend her for admission with suitable financial assistance at your esteemed university.
